“Thank you so much for our Beautiful wedding ceremony! Our wedding was MAGICAL! Thank you for helping us celebrate our Love! We wrote a quote on AtlanticCityWeddings.com on April 26, 2008 regarding you – it reads – “Riana is really, really good and thorough. We told her it was a 2nd wedding and we wanted to personalize it to include our children and our parents and what she came up with was perfect! We also had a parents read during the ceremony, which meant a lot to us!” Love, David & Fawn

“Rich and I are very grateful to you for the care you took in preparing a vow renewal ceremony for us. We wanted to do something very low key – not for show, but still special. That’s exactly what you created for us. It was in intimate ceremony that involved the kids perfectly. We appreciate everything you did for us and thank you for accommodating us at the last minute. The pictures your fiancé took were just beautiful. I never expected him to video tape the whole thing for us. We have a wonderful memory on our 10th Anniversary. Thank you for being a part of it as our Reverend and our friend!” Much Love, Heather & Rich

“I wanted to Thank You for all you did to make the wedding of Aimee and Don as beautiful as any I have ever seen. God was surely looking down on all of us. Again, Thank you. Lee Ann (Mother of the Bride)

“Thank you so much for the amazing Ceremony! We had so many people compliment us on just how beautiful the ceremony was, all thanks to you. You made our day very special to us and for that, we thank you! It was a joy to have you there. Thanks again for everything! Sincerely, Corinna & Bryan

“Rev. Riana created a wedding ceremony we will never forget. From our first meeting, she explained everything about our ceremony and how special she could make it. From the customized love letters and booklet, to the readings by special guests, the ceremony was elegant and enchanting, just like Rev. Riana! We will never forget her because she was such an important part of our special day. It was a day to remember for sure. Thank you from the bottom of our hearts!” Bonnie & Dean Kaminski
